

EDGELANDS				
NURSERY & ECOLOGY				
edgelandsnursery@gmail.com				
Order pick ups arranged by advance appointment only - send us a note to coordinate!				
Plants are shipped in compostable bags (recommended for warm season planting)				
or with rootballs wrapped in untreated burlap (better in cooler weather)				
2" pot sizes are suitable for planting out in well tended conditions, but also for				
potting on to larger sizes for re-sale.				
Pricing: Retail prices listed below. Discount levels:				
Retail customers: 30% discount on orders over \$200 at retail price				
Professional customers: 30% discount on orders under \$200 at retail price				
50% discount on orders over \$200 at retail price				
Payment: Cash, check, or tap-to-pay card				
Seed source location listed for verified wild populations. "Cultivated plants" seed source indicates				
sourced from local seed company or garden setting. Clonal propagation (cutting or division)				
indicated with source if propagated from non-cultivated plants.				
CURRENT AVAILABILITY LIST				
August 23, 2026				
<u>Plant</u>	<u>Seed Source</u>	<u>Size</u>	<u>Price</u>	<u>Qty Avail</u>

<i>Achillea millefolium</i> ("Willamette Gray" ecotype)	Clackamas Co. OR	3.5"	\$6.00	36
